Assessment details			
Criterion:	Mark awarded:	Commentary: (Incorporating wording from the assessment criteria)	
A: Framework for the essay [Maximum possible mark: 6]	**2**	The research question is relevant to the topic but only partially focused. (3) Research methods are used, but these are mostly unsuitable for the research question. (2) Structural conventions are present in the essay but these do not support communication of the research.(2)	
B: Knowledge and understanding [Maximum possible mark: 6]	**3**	Relevant research materials are used to establish some knowledge. (3) Some relevant terminology is used accurately. (3) Some relevant concepts are explained and used with partial effectiveness. (3)	
C: Analysis and line of argument [Maximum possible mark: 6]	**2**	The essay is descriptive rather than analytical. (2) A partial line of argument is present. (2)	
D: Discussion and evaluation [Maximum possible mark: 8]	**2**	The significance of the findings is described, but there is no reference to supporting evidence (1) A partial evaluation of the effectiveness of the essay is present, but strengths and limitations are not stated (2)	
E: Reflection [Maximum possible mark: 4]	**2**	Reflection on the extended essay learning experience is descriptive and includes some specific examples. (2) Reflection sometimes shows evidence of the student's growth and transfer of learning. (2)	
Total marks awarded	**11**/30		

Holistic comment on the essay:	A descriptive work without a clear focus. The essay lacks a clear line of reasoning and therefore is limited in the findings and conclusions stated. The reflection shows awareness of these limitations which were not addressed properly.
